

Industry Alliance Membership Application

The American Fair Credit Council (AFCC™) was initially created in response to a pressing need for representation of the settlement industry at state and federal levels. AFCC's™ primary focuses now are passage of fair legislation for the betterment of the debt settlement industry, provision of standards for debt settlement companies and protection of consumers entering into debt settlement programs. While AFCC™ is proud of its success to date in these areas, continuing success for consumers and our industry will fully depend on the involvement of our active member companies.

The AFCC™ logos and name are the property of The American Fair Credit Council ("AFCC™") but may be used by AFCC™ members in good standing in accordance with the terms and conditions set forth below. Use of one or more of the logos shall constitute consideration for, agreement to, and acceptance of, the terms and conditions of this license by the user. User agrees to the following:

1. The attached AFCC logos (the "logos") are the intellectual property of AFCC and belong exclusively to AFCC. These logos may be used only by AFCC members in good standing if and only if such use is made pursuant to the terms and conditions of this limited and revocable license. These logos may not be distributed or sublicensed to any individual, corporation, agency, association, partnership, affiliate, subsidiary, or other entity without the specific prior written consent of AFCC. Any failure by a user to comply with the terms and conditions contained herein may result in the immediate revocation of this license, in addition to any other sanctions and legal remedies imposed by AFCC. The interpretation and enforcement (or lack thereof) of these terms and conditions, and compliance with them, shall be made by AFCC in its sole discretion.
2. The logos are made available to AFCC members in good standing in color and in black-and-white. The logos may not be revised or altered in any way, and must be displayed in the same form as produced by AFCC. The various classes of membership (charter, accredited, preferred, and associate) will be determined exclusively by AFCC and the Member may only display the designated class of membership as determined by AFCC.
3. The logos may be used in a professional manner on the user's business cards, stationery, literature, advertisements, internet web sites, store-front window, or in any other comparable manner to signify the user's membership in AFCC. The logo may never be used independent of the term "MEMBER". Notwithstanding the foregoing, the logos may not be used in any manner that, in the sole discretion of AFCC: discredits AFCC or tarnishes its reputation and goodwill; is false or misleading; violates the rights of others; violates any law, regulation or other public policy; or mischaracterizes the relationship between AFCC and the user, including but not limited to any use of the logos that might be reasonably construed as an endorsement, approval, sponsorship, or certification by AFCC of the user, the user's business or organization, or the user's products or services, or that might be reasonably construed as support or encouragement to purchase or utilize the user's products or services.
4. Use of the logos shall create no rights for users in or to the logos or their use beyond the terms and conditions of this limited and revocable license. The logos shall remain at all times the sole and exclusive intellectual property of AFCC. AFCC shall have the right, from time to time, to request samples of use of the logos from which it may determine compliance with these terms and conditions. Without further notice, AFCC reserves the right to prohibit use of the logos if it determines, in its sole discretion, that a user's logo usage, whether willful or negligent, is not in strict accordance with the terms and conditions of this license, otherwise could discredit AFCC or tarnish its reputation and goodwill, or the user is not an AFCC member in good standing.
5. The AFCC logos may not be used without certification of the following: (a) Agreement to adhere to the applicable Code of Conduct and Standards promulgated by the AFCC Board of Directors, including the use of and adherence to the AFCC Disclosure Statement as part of the Client Agreement and the Web Disclosure Statement on the applicable web sites (b) All applicable web sites list physical address and phone number (c) All applicable web sites are registered with a domain registrant that publicly publishes the registrant's physical address and phone number (d) Use of the logo must not imply endorsement of the organization, its services or affiliations.
6. Any online use of the AFCC logo must include a workable link from the logo to the member's section of the AFCC website.
7. Applicant agrees to provide the URL for each unique domain name in which the AFCC logo appears or will appear and verification that the footer displayed on the homepage of each domain name is consistent with all sub-domains associated with that domain name in writing to the AFCC or by electronic mail to info@americanfaircreditcouncil.org.
8. This license and the enforcement and interpretation of this license agreement are subject to the laws of the State of Texas. The user hereby consents to the exclusive jurisdiction and venue of the courts, tribunals and agencies located in the State of Texas for any dispute arising from use of the logos.
9. Any questions concerning use of the logos or the terms and conditions of this license should be directed to the **American Fair Credit Council** at 100 W Cypress Creek Rd, Ste 700, Fort Lauderdale, FL 33309, email: info@americanfaircreditcouncil.org. **I am authorized to accept this license on behalf of the company indicated below and accept the terms and conditions of this License of AFCC™ Logos to Members:**
